Gentlemen:

Private School Exemption

Pursuant to your application as a private school for exemption from sales and use tax, we are adding the name of your school to our list of exempt entities.

This list is published periodically. Until the next publication date, you may use this letter as your authority to inform your suppliers that your school organization is exempt from sales and use tax.

The exemption provided by law applies only to ordinary and necessary expenditures. Your purchases of property which are not ordinary to the operation of the school or which are for resale to the students or the public will be taxed at the retail rate.

Very truly yours,

Jerry Miles, Assistant Chief
Sales & Use Tax Division
