EagleHire

Free resume assistance for Embry-Riddle students and alumni. Employers have direct access to applicants with approved EagleHire resumes seeking full-time and co-op/internships.

To access EagleHire, please use the appropriate option below:

**Student Login**
Embry-Riddle offers single sign-on service for EagleHire through ERNIE:

1. **Log in to ERNIE.**
2. Click on the **Personalize** button under the **ERAU Tools** section of your homepage.
3. Check the box for **EagleHire** and click OK.
4. From now on the EagleHire icon will show under ERAU Tools. Click **EagleHire** to automatically log in to the system and create or update your profile.

**Alumni Login** – myinterface.com/erau/alumni

**Employer Login** – myinterface.com/erau/employer

**Faculty Login** – myinterface.com/erau/faculty
**InterviewStream**

Allows applicants to improve interviewing skills by conducting live mock interview sessions. Video sessions may be submitted to Career Services for review, feedback and recommendations.

To access InterviewStream, you must first log into EagleHire. Once logged in, click the InterviewStream logo on the left hand side of the page.

Once on the Interview Stream website, you must finalize the creation of your interview stream profile. To do this, click on your email located on the top left of the page.

Click change password.

Once you have changed your password. You will now be able to access Interview Stream without going through EagleHire.
GoinGlobal

Provides professional advice and insider tips for 24 countries on topics such as employment trends, recruiters, staffing agencies, work permit regulations, salary ranges, resume writing guidelines, professional and trade associations, and cultural advice.

To access, sign into EagleHire and click the GoinGlobal logo on the left side of the page, located just below the InterviewStream logo (see above InterviewStream for reference).

Once on the GoinGlobal website, click “Create Personal Account” located on the upper right side of the page.

Once you have created your account, you will be able to access GoinGlobal without having to go through EagleHire.
CareerShift

ERAU career research tool which assists in searching “hidden jobs” as well as organize your job search efforts through a systematic approach.

To access CareerShift, log into EagleHire and click on “Resource Library” located on the left side of the page.

Now click “CareerShift,” the last option on the page.

Now click “Sign Up Now” and follow the onscreen instructions. Once you have set up your account, you will be able to access CareerShift without going through EagleHire.
